Portraits

P R I C I N G G U I D E

Hello

A N D W E L C O M E

Thank you so very much for your interest in our portrait photography.

Our goal is to always provide you with a wonderful experience.

This includes a fun session,

high quality prints, beautiful products and fantastic customer service.

Best of all we do this at an affordable price!

WHAT HAPPENS NEXT

After your session we shall have your images ready to view within approx 10-14 days. You will then be invited back to our studio to view your images, you do have the option of having the images online in a secure password protected gallery, we do take £20 for this and you then receive a £20 credit towards any purchase.

Unless stated, all of our prices are per session.

To help keep our prices lower all of our digital images are digital downloads, there is no difference to the quality of the images vs images supplied on usb.

If you prefer to have a usb & presentation case we can supply this at a cost of an additional £30.
