&

Choose 2 of our crazy party games
Prizes & light refreshments included

Special offer only £99

More children can be added £10 per child Maximum of 12 in our studio
larger groups at your chosen venue with extra time allowed

Each child will take part in our fun Mini photoshoot where we use various props and backgrounds they will be photographed alone as a big group and with siblings.

We then move on to our crazy pop up photobooth where the children choose fun items from our prop filled suitcase we do a large group and shots individually then just let the children free to have photos wearing different things and be with different friends.

Each child will receive a high res disc with license to print for personal use this will include approx 15 -25 photos

This disc is given to the party host within 7 days of the party as we edit these and make a special poster.

A deposit of £20 secures the date with a further £30 due 14 days prior to your party with the balance payable on the day of the party.

£99 Is the set fee any extra children with be charged at £10 per head this will only be charged for if they turn up.

We supply everything needed for our Party Games due to allergys we may have to tweak some of these which is why it is important we have a completed rsvp we do not photograph the game however you may choose too on your phone.

We supply the rsvp to include with your invitations.

you may supply your own cake

We have banners & balloons jugs of orange & Blackcurrant and a few bowls of crisps out.

Any further question please contact Donna on 07590120052 or Tony on 07889026497
